Get quick doctor care from anywhere.

A Virtual Visit lets you see talk with a doctor from your laptop or mobile device.

You have access to a network of Virtual Visit provider groups. To learn more about Virtual Visits and our network please log into myuhc.com® or the UnitedHealthcare Health4Me® app.

Once you choose a Virtual Visit provider group you’ll be directed to their website from myuhc.com® or their app from Health4Me. You also have the option of going directly to their website or app to access care. You can download their app directly from Google Play™ or the Apple® App Store®.

Virtual Visits are covered under your health plan benefits either way you decide to access care.

Tips for registering:

- Locate your member ID number on your health plan ID card
- Or look up your number on myuhc.com.
- Have your primary care provider name and medical history ready.
- Choose a pharmacy that’s open in case you’re given a prescription.
